Directions

From Twin Falls on I84 heading East take the exit heading to Delco right after you cross the snake river on the freeway and turn right at the stop sign. This is highway 77. Head South thru Delco and thru Albion. Albion has a gas station just South of town. Continue on 77 to the stop sign, where you will turn right on S Elba/Almo Road. Follow City of Rocks signs. Go thru Almo, heading South and the pavement ends, will be cattle guard and camp is about ½ mile further on. Camp is about 1 ½ miles south of ALmo.

Coming from the East (Idaho Falls) take I 84 to Highway 77 exit and follow 77 South to ALmo as above. You can also take I 84 South where you would turn towards Salt Lake and to **about 3 miles to the Malta /City of Rocks sign (just before the weight station and rest area (do not miss cause there is no turn around))**. You follow signs to Malta and City of Rocks on Highway 81. **WHEN YOU GET TO MALTA you will turn right on to East Highway 77 right in the town of Malta and will head West**, do not miss this turn.

If coming from Salt Lake take I 84 North to the Malta City of Rocks exit. And follow signs to Malta. **WHEN YOU GET TO MALTA you will turn on to East Highway 77 right in the town of Malta and will be heading West.**

If you have GPS it does work right when you are traveling there as I used it last weekend to make sure.
