

PNER Used Tack Sale - Rules & Requests – Please read!

These things will make your PNER Used Tack experience a pleasure for both you and your PNER Used

✓ PNER collects 10% of all proceeds.

- If you have a “big ticket item”, PNER may opt to pay you by check, depending on the funds available at the tack sale desk.

✓ Come with your itemized list in hand!

- Form available on the PNER facebook page and the website pner.net. If you aren't able to find it, please contact Darla Westlake for a copy at horsiesandponies@gmail.com
- IF you show up to the used tack booth without a list and your items are not labeled, there will be tags and lists available. But, please try to come prepared!

✓ Label your items clearly with your last name AND the corresponding number to that item on your prepared list

- Please use **detachable tags**, or some other sort of legible identifier that will stay attached to your item! LEGIBLE!!! Tags are available at the booth if you need.
- **Masking and duct tape are discouraged.** *It gets VERY hard to read.*

Please pick up your leftover items by 3 pm on Saturday

(We like to attend the fun stuff too!)

Any items left at the used tack sale will be donated to a worthy organization.

Thank You!
