Trails through sage brush and along rim rock areas on the Lakeview Ranch BLM property. Terrain is very similar to the old Home on the Range Ride in the Potholes. 75% of trails are good two-track, with some areas of more technical single track with some rock.

DIRECTIONS

From Spokane, follow I-90 west to exit 245 at Sprague. Head north for about 13 miles on State Route 23, turning left onto Mohler Road. After about 10 miles, reach SR 28. Turn left and drive 16 miles to Odessa. From Ellensburg, follow I-90 east to exit 206. Then drive 18 miles north on SR 21 to Odessa. The Lakeview Recreation Area is located 8 miles north of Odessa, Washington. Take Highway 21 north from Odessa, go 2.8 miles to Lakeview Ranch Road, turn left and travel 4.1 miles on a gravel road to Lakeview Ranch. From Wilbur (on Hwy 2) take Highway 21 south 27 miles to the Lakeview Ranch turnoff on the right. Follow 3.4 miles to camp. Note: Lakeview Ranch Road joins highway 21 in two places (5.8 miles apart) so if you miss your first turnoff you can catch the second.
