CAMP

Horse water, porta-potties, and a central campfire! We are on private property so weed free hay is not necessary. Be prepared for slight changes to ride camp this year - with a new barbwire divider fence added to the property. Food options may be available.

VOLUNTEERS NEEDED!

TRAIL

Mixed high desert trails, lots of two track road and cow trails, and some gravel road. Some sections of rock. Very doable "spring ride" trails! Plentiful water. Please seriously consider hoof protection. Gentle rolling elevation changes. Gates! This area is grazed by range cattle, so gates are a fact of life out here. We're planning to have gate keepers out there for you.

HEAD VET
