October 24<sup>th</sup> & 25th, 2026  
Eagle, Idaho

Sanctioned by AERC

**COSTUME CONTEST  
SATURDAY**

## DAYS & DISTANCES

Day 1: 25 miles / 50 miles / non-competitive Intro ride  
Day 2: 25 miles / 50 miles / non-competitive Intro ride

You can expect mostly two-track roads and single-track trail, with modest elevation gains and some badger holes to dodge. Although the trails are mostly sandy, there are sections of rock. Hoof protection is strongly encouraged. It's fall in the high desert, so be prepared for any weather. (Trails won't be as challenging as 2024, I promise!)

## RIDE CAMP

Camp is in a flat, open area with plenty of room for big rigs.  
Just watch out for badger holes.

Dogs are always welcome but must be leashed at all times.

Horse water and porta potties will be available after noon on Friday.  
Bring your own people water.
